March 15th, 2020

To all parents and participants,

We have been following the recent developments and government updates regarding COVID-19. Like all of you, we are disappointed to miss out on playing the sport we love, but we must make the safety of our children first priority. As such, we will be cancelling our upcoming March Break, winter, team and private sessions until April the 6th.

All winter session skates missed will be moved to a later date and March Break camps will be credited for future camp sessions. We will update everyone once we have further information.

Please stay safe.

Thank you,
Adam Colagiacomo
